Thank you for your time and energy in supervising this practicum. The following checklist will assist me in awarding the student grade. Because feedback is an essential component of professional growth, please discuss your evaluation with the student. In making your evaluative statements, compare the student's skills to those with a skill level you expect of a beginning counselor.

Please rate the student according to the following scale:

	Excellent	Competent	Could Improve	Poor	Unobserved
<b>1. Enthusiasm</b>					
<b>2. Promptness</b>					
<b>3. Creativity</b>
